aprilia®

# IT'S NOT A NAKED, IS A TUONO!

One of a kind. A Superbike frame, high handlebars and top fairing bound to the frame, the recipe for happiness on two wheels. It's not a naked, and it never wanted to be: it's a Aprilia Tuono, period.

- /// *"Track ready" riding position*
- /// *"Sport" top fairing*
- /// *Single seat tail fairing*
- /// *Öhlins SMART EC 2.0 suspensions*

# FACTORY. THE RACING PEDIGREE

A name that highlights one indisputable feature: excellence on the track. That's what the Tuono V4 Factory was designed for. The sportiest version of the hypernaked from Noale combines the versatility and enjoyment of a bike with high handlebars with the exclusivity and GP technology of its sister, the RSV4 Factory. Thanks to its Öhlins SMART EC 2.0 suspensions and the "track ready" riding position, it is the ideal companion when hunting down super sports bikes, and the soundtrack is one only a V4 could write.

/// Raised handlebars

/// Oversized top fairing

/// Large seat and lowered footpegs  
for the passenger

/// Specific side bags (Accessory)

## TOURING BY TUONO

Riding an Aprilia Tuono is a unique experience. There is none like it. Tuono V4 makes the experience accessible to those who dream of new horizons and breathtaking scenery beyond the track, perhaps with good company. More comfort and protection for rider and passenger for riding pleasure that has no more frontiers. Tuono V4 the only two-wheeled shooting brake.

# 3, 2, 1, READY TO TAKE OFF

Whether on the track or on the road, the Aprilia Tuono V4 gives you all the information you need thanks to the 5-inch TFT screen and simple but complete graphics. The switches help you manage all the options rapidly and intuitively, so you can focus on driving. The refined and precise APRC and the engine brake control truly let you have the Tuono V4 the way you like it.

5" TFT screen with new graphics

Evolved and evolved APRC with the AEB  
(Aprilia Engine Brake) control

6 riding modes, 3 of which can be completely  
customised to suit the rider's needs

Practical and intuitive handlebar switches

*/// V4 Euro 5 engine with 175 hp & 121 Nm*

*/// Swingarm with lower brace*

*/// Full LED headlight with bending lights  
and perimeter DRL*

*/// Design with built-in wings  
and double level fairing*

# FAST, VERSATILE, FUN...ADDICTIVE

Aprilia Tuono V4 defines the concept of balance, balancing performance and versatility, enjoyment and efficiency, on track and on the road.

The completely new look offers style and aerodynamic efficiency, while the completely new electronics guarantee ultimate customisation and ease of use.

The chassis architecture and the engine have been updated to ensure that the dynamic package remains the best... hands down.

# TOTAL LOOK

Now those riders who use their Aprilia bikes as daily riders can benefit from top quality and safety standards, comfort and stylistic attention to detail, as well as enjoying total riding pleasure on every outing. The helmet, gloves and jacket proposed by Aprilia are in line with every one of the Aprilia Tuono's moods: sporty, comfortable and high tech, without sacrificing the design and protection that only certified technical apparel can provide.

<b>Colours</b>	Aprilia Black, Ultra Dark	Tarmac Grey, Glacier White

\* In compliance with the V0 (EU) 168/2013 standards, with all operating fluids, with standard equipment and fuel tank filled to 90% capacity.

## X-CARE +

EXTENDED WARRANTY

Travel with peace of mind with a two-year warranty that includes Roadside Assistance: coverage across Europe, towing to the closest Authorised Service Centre, original spare parts, additional services (e.g. passenger transportation, taxi, hotel, vehicle return).

Find out how to extend this benefit with X-Care+ Extended Warranty, the unlimited warranty extension plan that offers you the same coverage as the original warranty:

- Coverage of repair costs for faults due to manufacturing or assembly defects on parts
- Replacement of damaged components with original spare parts, processing included
- Roadside assistance that, in addition to towing and problem solving, also ensures non-stop mobility
- Specialised, certified Piaggio Group Service assistance
- Retention of the retail value of the used vehicle in case of sale
- Coverage across Europe

For full details and to find out about coverage in your country, refer to your Dealer or Authorised Service Centre.

## X-CARE +

MAINTENANCE

With the dedicated X-Care+ services, you can choose from among different standard maintenance packages depending on your needs. By purchasing one of the X-Care+ Maintenance plans, you have the right to periodic scheduled maintenance in accordance with the specifications outlined in the use and maintenance manual.

- 2 years / 20,000km 2 services
- 3 years / 30,000km 3 services
- 4 years / 40,000km 4 services

For full details, refer to your Dealer or Authorised Service Centre.

The dream of riding an Aprilia is now even easier to achieve thanks to Piaggio Financial Services, the new Piaggio Group platform dedicated to the most innovative financial solutions.  
[www.piaggiofinancialservices.com](http://www.piaggiofinancialservices.com)

The company reserves the right to make technical and aesthetic changes at any time. Full information on models and accessories is available at [www.aprilia.com](http://www.aprilia.com). Ride carefully, always wearing a helmet and suitable gear. Always comply with the rules of the road and respect the environment. Read the operating and maintenance manual carefully. Always ask for original and approved spare parts in accordance with current legislation. Visit an Official Aprilia Dealership or Authorised Retailer for a secure purchase and guaranteed service support.
